Why do you want to serve in Harvest Kids?

CONFIDENTIAL

Serving in Harvest Kids is a weighty responsibility. We recognize the importance of children within the Bible and the calling of family and the local church to guide them to a personal relationship with Jesus. As a prospective member of our team we recognize there is no such thing as a perfect Christian, however, we also recognize that in many ways our workers are seen as spiritual role models for the children in our church. The following questions seek to care for you as a prospective member of our Harvest Kids Worker Team.

1. Are you part of some form of accountability GROUP right now?

Yes. (Please explain)

No, but I'm open to getting into one.

2. Have you ever, (A) used illegal drugs or other substances or (B) struggled with or been addicted to pornography?

Yes. (Please explain)

No

I would prefer to discuss this question in person with the Pastor of Children's Ministries.

3. Have you ever been dismissed or removed from a volunteer position, or a job, that involved working with children?

Yes. (Please explain)

No

I would prefer to discuss this question in person with the Pastor of Children's Ministries.

4. Is there anything else about you, or about your life, that we should know about that might affect your ability, or suitability to serve on the Harvest Kids team?

Yes. (Please explain)

No

I would prefer to discuss this question in person with the Pastor of Children's Ministries.

CONFIRMATION

We would love to confirm your gifts and experience prior to serving the children in our church. If you have served in a children's ministry in another church prior to attending HBCO please include your Children's Ministry leader. Please provide 2 references (NON-FAMILY) that we can follow up with.
